Total			\$101,472.79

Project 1: Scholarship Programme for School Children

Location: Prek Dambang and Prek Tamek Commune, Kandal Province

No. of beneficiaries: 250

A. Financial overview:

Expense category	Amount
School child sponsorship	\$ 30,682.74
Salary and tax	\$ 6,634.99
Medical and health support	\$ 10.00
Extra child support	\$ 2,011.06
Transport	\$ 546.25
Administration	\$ 272.92
Total project cost	\$ 40,157.96

B. Project Activities

Description	Activity	Outcome
Conditional cash support	Monthly support to the families or the scholarship holders, in return for proof that the child in questions continues to attend public school.	To qualify for continued financial support, the scholarship holder must continue to attend public school
Family counselling	Counselling scholarship holders as well as their parents on the benefits of education	Enhanced awareness on the benefits of education. Hence, the scholarship holders are more likely to continue to visit public school.

Monitoring and Reporting	Creating ad hoc progress reports on the situation of scholarship holders based on family interviews and school documentation.	Better understanding of the situation of our beneficiaries. Being able to provide appropriate advice and targeted assistance.
Diabetes Management	Following training of a number of our scholarship students on the causes and management of type II diabetes, two screening sessions were held in our village. Following general communication of ways of managing diabetes, 6 months, focused program was conducted, supporting 8 villages.	Through focused training on benefits of blood glucose monitoring, diet, exercise, medication and sleep, it was shown patients could manage their diabetes. This education will be used as part of a 2025/26 program of health in the community.
Communication with sponsors	Provision of progress report to the individual sponsors of the scholarship holder. Responding to questions of individual sponsors.	Sponsors feel the impact of their donations and continue to provide funding.
Identification of scholarship candidates	Identifying children in risk of early school dropout. For example, due to lack of financial resources. Conducting initial interviews with the child and their guardian.	New scholarship candidates are identified and can be advertised to potential sponsors.

Meetings between German and British visiting Kidshelp Executive and the British Ambassador in Cambodia as well as European Union Ambassador to raise awareness of the work of Kidshelp NGO in Cambodia.

Project 2: Khemara Kidshelp School

Location: Loer Oet Village, Prek Dambang Commune, Kandal Province

No. of beneficiaries: 325

A. Financial overview:

Expense category	Amount
Scholarship programme	\$ 5,588.50
Cleaning and Cooking at KKS	\$ 900.00
Salary	\$ 4,800.00
Books and equipment	\$ 1,083.50
IT Support	\$ 150.00
Expenses – volunteers, school events and administration	\$ 1,358.50
Property and equip maintenance	\$ 1,455.50
Accounting, legal and tax report fees	\$ 1,695.00
Total project cost:	\$ 17,031.00

B. Project Activities

Description	Activity	Outcome
English class	Teaching English reading, writing, listening, and speaking	The English proficiency of the school children is enhanced.
General education class	Teaching various topics (for example hygiene and food security) in English language depending on the qualification of the teachers and volunteers.	The English proficiency and the general knowledge of the children are enhanced.
Computer class	Teaching to type and to use office software	The computer literacy of the school children is enhanced. Grade 12 students were taught IT programs which they would need for offline study after school.
Teacher meetings	Conducting monthly meetings between our staff, the teachers, and the school director to discuss the state of the school and the way ahead.	Teachers, our staff, and the director communicate effectively and are able to jointly uphold a good quality of education at the school.
Monitoring and reporting	Regular monitoring visits of our staff at the school. Regular reporting on challenges, ideas, and the financial situation of the school director.	Problems are quickly identified and overcome. The financial stability of the school is secured.
Careers guidance Grade 11 and 12	Kidshelp scholarship students (currently at university) are encouraged to share their	Students get an insight into career opportunities and meet previous KKS students from our

	experience in chosen subjects, with current Grade 11 & 12 students	village, who are studying specific subjects. They can then link up later to learn more. Students also learn what they might expect if attending university in the Phnom Penh.
Identification of scholarship candidates	Identifying talented young high school graduates in need of support in order to be able to study at university. Kidshelp have developed Guidelines on criteria, preferred areas of study and rules for ongoing support.	New scholarship candidates are identified and can be advertised to potential sponsors.

Internet and SMART TV was introduced to the school to explore use in support of teaching. This will be further expanded in 2025.

An agreement was signed and registered with local land Registry, under which Hun Tharith, will complete construction of a new school in Rokakaong Village in mid-2025 and will operate this under the MOU with MoFAIC and Program Agreements with MoEYS of Kidshelp Kambodscha.

KKS school assembly sharing gift of books and pencils donated as part of a birthday celebration.

Project 3: Scholarship Programme for University Students

Location: Phnom Penh

No. of beneficiaries: 40

A: Financial overview:

Expense category	Amount
Costs for the student dormitories and tuition fees	\$ 44,283.83
Total project cost:	\$ 44,283.83

B: Project Activities

Description	Activity	Outcome
Payment of tuition fees	Reimbursing the tuition fees for their course of the studies to our scholarship holders.	The scholarship holders are able to afford to study.
Student dormitories	Renting two apartments that are used as female student dormitories. Small number of boys meant individual rental were supported. Supervising student managers in charge of the operations of each dormitory. Providing the financial means needed for ensuring the smooth operation of the dormitories to student managers.	The scholarship holders are able to afford to live in Phnom Penh and therefore are more likely to finish their studies. The student managers acquire project management skills.
Monitoring and Reporting	Creating annual progress reports on the situation of scholarship holders based on interviews and their study records.	Better understanding of the situation of the scholarship holder. Ability to provide appropriate advice and targeted assistance. As a result, the scholarship holder is more likely to finish her/his studies.
Teaching benefits of volunteering and community work	Working with students to understand benefits of learning new skills and supporting their local community.	During this period a group of medical and communications students, in co-operation with Elsevier (online medical publications) studied Diabetes Type 2 and conducted screening and patient monitoring. This project taught skills in project

		management and conducting work in the community.
Communication with sponsors	Providing progress reports to the individual sponsors of the scholarship holders. Responding to questions of individual sponsors. Ensuring the communication between sponsors and scholarship holders.	Sponsors feel the impact of their donations and continue to provide funding.

To support students in speaking and listening, several students were introduced to Kidshelp supporters and friends in Europe who have regular conversations with the students. This improves the students' English skills but also increases awareness and hopefully future financial support and stimulates new ideas with the students.

Kidshelp scholarship students carrying out diabetes screening clinic at KKS in January 2024. In total 193 patients attended the two screenings

Student dormitory meeting on Sunday 12th January 2025. Key topic of discussion was suitability of location of dormitory ahead of lease renegotiation. Student's voices are heard.
